

Joy E. Rancatore

Writing the **Soul** with **Heart**

Legacy and identity, founded on hope-filled faith, infuse the tales of the soul written from the heart of **JOY E. RANCATORE**. Her Carolina's Legacy Collection embraces everyday moments that constitute a lifetime and its heritage. Told around multiple related characters, this collection explores faith, life, death and the demons within through four mediums—novel, novella, short stories and epistolary.

An award-winning, multi-genre Indie Author, Joy believes extraordinary things await her characters and their tales. Despite a fondness for her roles as author, editor, podcaster and speaker, Joy is a hobbit at heart with Bilbo's zeal for mountains.
